

New Consultants

Houston

Stephanie Scanlan and Bill Adams recently joined the Houston office (Allen Austin).

Stephanie specialises in finance, while Bill specialises in Life Sciences as well as energy and utilities. Stephanie's eight successful years of search led her to manage search engagements for clients ranging from medium-sized to Fortune 500. She has successfully completed searches for corporations that include Duke Energy, CB&I, Baker Hughes, Continental Airlines, Clear Channel, Oxy, Hydril, Transocean, Air Liquide, Enbridge Energy, Veolia Water, Stewart Title, and Reliant Energy. Bill holds unique industry experience in Finance, Art and Education. He brings a well-rounded and international background to every client relationship. Bill holds a B.A. in History and a minor in French from Bowdoin College.

Hong Kong

Donald Hsu recently joined the Hong Kong office (The Wright Company/TRANSEARCH) as a Consultant.

Donald is a Hong Kong native and was educated in the UK and the US. He spent nine years working in the United States in product development and technical sales in both the consumer products and chemical industries.

Upon returning to Asia, Donald joined Korn Ferry in Hong Kong, where he worked on high-level, regional assignments in Industrial, Consumer Products, Education and Government practices. Donald holds a BA in Chemistry from UC Berkeley, and a PhD in Chemistry from MIT. He is a native Cantonese and English speaker and is fluent in Mandarin.
