

## **New Office Opens in Finland**

TRANSEARCH International recently opened an office in Helsinki, Finland. The office is able to provide executive search services in the major sectors with experts **Jukka Harju, Eva Lybeck, and Jukka Lehtiluoto** manning the office. Jukka Harju has occupied various senior management positions in companies such as HP, Sun Microsystems, and Silicon Graphics.

Eva Lybeck's search experience includes being the founder and Managing Partner of Electa Search before becoming Horton International.

Jukka Lehtiluoto is previously from Heidrick & Struggles, where he was the Managing Partner for Finland and at a later stage Poland. All three consultants are fluent in Finnish, Swedish, English and German.
