

## **TRANSEARCH Opens New Offices**

TRANSEARCH International recently opened an office **Düsseldorf, Germany**.

The office is located at the well-known Schadowarkaden between the "Kö" which stands for Königsallee and the Martin-Luther-Platz.

**Klaus Aulenbacher**, previously from Siebenlist, Grey & Partners, manages the office and is joined by **Stefan Pier** as a consultant. Between them they have more than 40 year's experience to offer clients in the Healthcare, Information Technology and Telecommunications sectors.

Another new office was recently officially opened in **Mumbai, India**. The Mumbai office is located in the Bandra-Kurla Commercial Complex, an area that is emerging as the city's commercial hub and is within a short distance of the domestic and international airports. Mumbai is the financial capital of India and is also famous for "Bollywood" the Indian movie industry.

**Uday Chawla**, Managing Partner of the Indian operation says: "We have a strong team in Mumbai that will work closely with the New Delhi office to develop the business in the western part of India. We are planning to build strong practice here, as India's economy continues to grow strongly." **Anjali Forbes**, partner TRANSEARCH India will be leading the Mumbai office.
