„What I would say to companies is, first of all, have the courage to do something like this!”

Ulrich F. Ackermann

Thanks to a generous donation of €50,000 from VIVAVIS AG, we were able to raise a total of more than €100,000 last year to support the activities of ChildFund Deutschland e.V. in Ukraine, but also to continue our project for the construction of a new school building in Katete / Zambia, which we started in 2020.

Thank you so much for your support!
